The person named **Teppei Kimura** on LinkedIn is a professional in Human Resources Development (HRD) and training, with experience primarily in the apparel and automotive industries in Japan. [1]

There is no indication from the search results that Teppei Kimura is associated with the CNBC show *Mad Money* with Jim Cramer. The user request seems to be conflating a name with the title of a finance show, possibly looking for a specific individual who appears on the program or a related financial expert.

The available LinkedIn profile for Teppei Kimura shows his experience includes:

- **Manager of the Training Department** at Terrasaltus Inc. (Feb 2017 - May 2024), focusing on HR utilization system design, training planning, development, and implementation.
- **Store Manager** at ALC Motors Group (Feb 2011 - Feb 2017), specifically for MINI Odawara.
- Various **shop staff/assistant manager** roles at companies like Tsuboi Flower Garden, Ermenegildo Zegna Group, and FIGO. [1]

If you are looking for information regarding guests or analysts on the *Mad Money* program, you may need to conduct a search for finance and market professionals.
